## President's Report

Sadly, I make mention of the loss of comrades Mavis Gooch and Howard Baugh in the past month. On behalf of Branch #638, our deepest sympathy and condolences to the Gooch and Baugh families. Special thanks to Padre Bill Prentice, Bob Thomson, Sgt. @ Arms, the Colour Party, Brenda Grant, Piper, and legion members who attended the legion tribute for Comrade Howard Baugh. Everything was very much appreciated by the Baugh family.

Unfortunately, two key players have resigned from their executive positions, those being comrade Peter Wilkins, Veterans Service Officer, and Padre Craig Bowers.

As the second quarter of the legion year begins, our branch continues to move forward, preparing for the upcoming poppy campaign and Remembrance Day Ceremony and Parade, re-evaluating operations and finances, implementing fundraising and special projects and increasing membership and volunteers and, of course, serving veterans and supporting the community.

### Events and Activities

On October 3, 2016, comrade Doug Rowland, Chair of the Poppy Trust Fund Committee, and I attended the Perley and Rideau Veterans' Health Centre's annual information seminar for legion representatives. It was very informative and enlightening to learn of the numerous services available and the excellent care provided to the veterans and the best part was visiting with the veterans. Together comrade Doug and I presented a \$2,500 cheque for the purchase of a tilted reclining wheelchair.

The annual Oktoberfest held Saturday, October 15, was very successful! Thank you to all those who helped fill the seats and make it a sold out event. A special thank you to the volunteers, particularly

Event Co-ordinator, Amanda Robbins, and the cooks, Gaëtan Chartier and Dan Knighton!

Something new in District "G", of which our branch is a part--there will no longer be District "G" conventions twice a year; only one in the spring for time and cost efficiency purposes. Instead, the District "G" Council will meet in the fall, which was held this past weekend October 14-16, in Cornwall, Ontario.

A special thank you to gardeners, Judy Homma and June Tyrrell, who put in a lot of work preparing branch gardens for winter and planting the Canadian red and white tulip bulbs in celebration of Canada's 150th birthday next year 2017, donated by Hans van den Berg and Jenny van Oosten (photo below).

Respectfully submitted,

Lorraine Lapensée

# HCMS Ville de Quebec - Tall Ships, Brockville

Submitted by Adrianus Cornelisse

Our Kanata Legion Branch was invited to participate in the welcome ceremony of the HMCS Ville de Quebec in Brockville September 19, 2016.

Two comrades of our legion, Peter Wilkins and Adrianus Cornelisse, participated in the colour party to open the official welcome of the Frigate. Each colour party member was introduced to the public by the Ship's Captain in charge, with recognition given to the Naval services each member has served.

A light lunch was served by deck personnel, sea cadets and volunteers, after which we were invited to tour the Royal Navy Ship which was anchored in the U.S. portion of the St Lawrence River at Brockville. I believe that Brockville was represented with an exemplary, professional presence from our branch.

## A Profile of Comrade Tom Dick

To create interest in the legion and its members, we plan to provide profiles of our veterans. Our first is that of our genial Seniors Officer, Tom Dick, and we thank Tom for sharing his story with us. Profile provided by Garry Fancy.

**M**y father was a streetcar driver in Glasgow, and saw service during the First World War in the Middle East. I had a sister who died when she was a year old, and a brother who was born in 1916. I was born in 1920. My Mother died at age 29 when I was nearly 4 years old, and when I was 4, my Father emigrated to Canada. My brother and I were raised by our Grandmother and an Aunt. As a youngster, I enjoyed playing "Cowboys and Indians" and other gentle pastimes like "Kick the Can", White horses", etc.

War was declared on September 3, 1939, and before the end of the year I volunteered for military service in the Royal Engineers. Early in the New Year I was in France with the British Expeditionary Force and involved in construction of defences along the Belgian/French frontier, as an extension of the French Maginot Line. Belgium was a neutral country, but was in danger of being invaded by the Germans, and on May 10, 1940, Germany did attack Belgium and our Company moved in immediately to the Country and began taking defensive action, which involved planting land mines on certain canal bridges, and demolishing other bridges by explosives - hazardous work under fire! Within 19 days the situation became chaotic and the B.E.F. was the subject of an evacuation order, which subsequently resulted in over 345,000 troops being taken from the beaches of Dunkirk and De Panne to the United Kingdom - this, over a period of only 9 days!! Naval vessels, merchant ships, pleasure steamers, and dozens of small pleasure boats (later referred to as The Little Ships of Dunkirk) as well as the lifeboats from the larger vessels, all were pressed into service to complete the operation. This was carried out under continuous shelling, bombing, torpedoes and strafing attacks. I was taken off on a destroyer, (H.M.S. Wakeful, lost on its return to Dunkirk) with 600 others. The ship had to be loaded at the bow by rope ladder due to the low tide and the intensity of marine activity in the immediate area.

We disembarked at Dover Harbour after some 7 hours of evasive action in the English Channel, boarded trains and were taken across England to a camp in the County of Dorset for recuperation. We were eventually granted 72 hours' home leave, not including travel time. The next three and a half years were spent training and preparing for re-entry into Europe.

On June 6, 1944 ("D" Day) as part of a four-man British Army Reconnaissance Party, we landed on Juno Beach with the Canadians, on board an American Landing Craft. We immediately came under enemy fire from multi-barrelled mortars, fondly referred to as "Moaning Minnies". There were casualties, but our party of four got off the beach unharmed. Our objective was to reach a particular map reference, clear the area of mines, booby traps and snipers, prior to the arrival of the main body of our Engineer Company, which was due to arrive on D+5. We did have an encounter with a sniper, whose interest was on a group of Canadian Infantrymen. On the first night we bedded down in slit trenches which we dug, and protected them with sections of corrugated steel culvert. During the night, we were subjected to strafing by enemy fighter aircraft.

In the morning, preparing to quit the slit trench, and wearing my steel helmet, I encountered an obstruction hanging from the corrugated culvert, which turned out to be an unexploded aircraft cannon shell. Carefully removing it from the immediate area, it was thrown into a vacant field where it self destructed. Moving further inland and doing our bit for the war effort, we set up a wet and dry assault bridging depot. In one corner of the property was a temporary burial site for several Canadian soldiers who had made the supreme sacrifice. July 14 was the anniversary of Bastille Day in France, and a procession from the local village arrived at the entrance to the depot. It was led by the village Mayor who was granted permission to have a small service at the Canadians' graves. The group was made up of children, women and older males. The children carried posies of flowers and one person carried a French Tricolour (Flag). After service was performed, the Tricolour was placed in the centre of the burial plots, and the children placed their flowers on the individual graves. An emotional tribute to soldiers from another country who had died helping to liberate them.

Our activities continued in various locations in France, Holland and Germany, until victory in Europe was declared on May 8, 1945. We were sent home on leave prior to being shipped out to the Far East for the war against Japan. These plans were cancelled before the end of the leave when we were recalled to Europe. We took up occupation positions in Germany until May 1946, at which time I received my release from active service.

The foregoing capsulated six and a half years of war service, after which I emigrated to Canada in 1947.

## Poppy Trust Fund

On behalf the Royal Canadian Legion, Branch #638, comrades Doug Rowland and Lorraine Lapensée presented a \$2,500 cheque on October 3, 2016, to The Perley and Rideau Veterans' Health Centre for the purchase of a Brodda chair (tilted reclining wheelchair).

Left to right: Delphine Haslé, Perley Rideau Foundation Development Officer; Lorie Stuckless, Director of Support Services; Lorraine Lapensée, RCL Branch #638 President; Brig.-Gen (ret'd) Charles Lemieux, Chair, Perley Rideau Foundation Board; Doug Rowland, RCL Branch #638 Chair, Poppy Trust Fund Committee; and Pilot Officer (ret'd) Gilbert "Gib" McElroy, now a Perley Rideau resident. Gib is also the president of the Veteran's Council at the Perley Rideau.

Searching for a quote on open-mindedness, the editor of CONTACT! found this on Google: "The thing is, it's very dangerous to have a fixed idea. A person with a fixed idea will always find some way of convincing himself in the end that he is right."

### **The Best Oktoberfest in Kanata!**

Last year the Kanata Legion's Oktoberfest introduced a new menu and a new Oompah Band: The International Set Band! With both the menu and band being a great success, it was easy to decide to do an encore for this year's Oktoberfest held Oct. 15.

Over 110 guests filled the hall to enjoy a German menu consisting of Schnitzel, German Potato Salad, Red Cabbage, Spaetzel, Sauerkraut, and Cake, but not Black Forest Cake as advertised, and for that we apologize and will plan to do better for next year!

A décor of German flags, posters and more set the tone for the Oktoberfest celebration!

Guests had a chance to win door prizes! Thanks to Lydia Fancy, Judy Homma and Dan Knighton for donating door prizes! It is very much appreciated.

The International Set Band enhanced the Oktoberfest festivities with toasts, polka tunes and more! Many enjoyed the music by dancing and/or singing a long!

Success of this event is thanks to our guests for coming out to support our Oktoberfest fundraiser, the International Set Band and our volunteers, with special thanks and appreciation to the following comrades:

- Lydia Fancy and Garry Fancy - ticket takers
- Susan Curtis, Gord McCaskill, Moira Green, Tara Jackson - bar tenders

## Please Wear a Poppy

by Dan Crawford

*"Please wear a poppy," the lady said  
And held one forth, but I shook my head.  
Then I stopped and watched as she offered them there,  
And her face was old and lined with care;  
But beneath the scars the years had made  
There remained a smile that refused to fade.*

*A boy came whistling down the street,  
Bouncing along on care-free feet.  
His smile was full of joy and fun,  
"Lady," said he, "may I have one?"  
When she's pinned it on he turned to say,  
"Why do we wear a poppy today?"*

*The lady smiled in her wistful way  
And answered, "This is Remembrance Day,  
And the poppy there is the symbol for  
The gallant men who died in war.  
And because they did, you and I are free -  
That's why we wear a poppy, you see.*

*"I had a boy about your size,  
With golden hair and big blue eyes.  
He loved to play and jump and shout,  
Free as a bird he would race about.  
As the years went by he learned and grew  
and became a man - as you will, too.*

*"He was fine and strong, with a boyish smile,  
But he'd seemed with us such a little while  
When war broke out and he went away.  
I still remember his face that day  
When he smiled at me and said, Goodbye,  
I'll be back soon, Mom, so please don't cry.*

*"But the war went on and he had to stay,  
And all I could do was wait and pray.  
His letters told of the awful fight,  
(I can see it still in my dreams at night),  
With the tanks and guns and cruel barbed wire,  
And the mines and bullets, the bombs and fire.*

*"Till at last, at last, the war was won-  
And that's why we wear a poppy son."  
The small boy turned as if to go,  
Then said, "Thanks, lady, I'm glad to know.  
That sure did sound like an awful fight,  
But your son - did he come back all right?"*

*A tear rolled down each faded cheek;  
She shook her head, but didn't speak.  
I slunk away in a sort of shame,  
And if you were me you'd have done the same;  
For our thanks, in giving, if oft delayed,  
Thought our freedom was bought - and thousands paid!*

*And so when we see a poppy worn,  
Let us reflect on the burden borne,  
By those who gave their very all  
When asked to answer their country's call  
That we at home in peace might live.  
Then wear a poppy! Remember - and give!*
